

## **NAME AND MISSION**

The name of this unit is the Biomedical & Life Sciences Division, Special Libraries Association.

The mission of this Division shall be that of the Special Libraries Association.

The scope of the Division encompasses all aspects of the life sciences, both pure and applied, including: biology and biochemistry, zoology and botany, microbiology, genetics, biotechnology, evolution, ecology, veterinary and human medicine, health sciences, and other aspects of the life sciences not specifically noted, or encompassed by another SLA Division. The Division promotes the exchange of information and ideas about trends and advances in information storage, retrieval and analysis, collection management, and dissemination in these fields to support research, education, and commercial endeavors.
